Junk Car Cat Miami was so easy when I needed to get rid of my old car. They gave me the best possible offer and made this process super fast! Junk Car Cat Miami is your go-to company for junk car removal if you're in town. They won't disappoint or let down their customers as some other businesses might do.

I'm so thankful that Junk Car Cat was able to give me an offer for my old car. I really wasn't expecting to get anything for it, but they were able to give me a fair price. Junk Car Cat is the best junk car removal service in Miami, Florida, and I would definitely recommend them to anyone who needs to get rid of an old car. Thanks again, Junk Car Cat!

My dad recently told me he wants to get rid of his two cars. He's been talking about it for a while, but I didn't think he was serious. I'm so glad I found Junk Car Cat! They're a junk car buyer in Miami, Florida, and they made the process easy. My dad was able to get rid of his cars and make some extra money, and we were able to clear out the garage. Junk Car Cat was a lifesaver!

Extremely happy with Inspired Funding. Peter Schneider was most helpful in getting our financing, and very professional. After other relationships with less responsive lenders, I will only work with this company.

Great selection of parts. One of the cleanest junk car yards around. A lot of good tires and a misc parts or tool section on the inside. They rotate their inventory a lot. Great service!
